Dear GEAA members,

The Helotes Historical Association (HHA) is working hard to raise the funds to build and dedicate a trail in Jon Allan's name at Helotes' new Madla Park. [More info about Jon?] The HHA is submitting a grant proposal on Tuesday, December 15th, and they want to cite as many donations as possible (which will improve the application's score in the review process). So far, the HHA has raised \$2,500 in matching funds.

Please consider supporting this memorial for Jon. As a GEAA Board Member, founder of the Helotes Heritage Association, and Mayor of Helotes, he worked tirelessly on our behalf. I, for one, look forward to hiking a trail named in his honor.

Your donation can be given before or after the grant application's due date, but **the HHA needs to know your pledged donation amount before Tuesday, December 15th** if you choose to send in your check later.

Please make checks out to "HHA" and include the notation, "re: Jon's Trail."
Mail them to:

HHA
c/o Dr. Ron Green
14255 Antonio Dr.
Helotes, TX 78023
