

Dear GEAA members and friends,

We'd like to remind you that Fred and Carol Fisher are hosting the second annual fundraiser breakfast to benefit the Greater Edwards Aquifer Alliance this Saturday morning. Eggs fresh from their backyard will be served along with home made pastries and all the fixin's. Please contact Rachel at [racheldealy@hotmail.com](mailto:racheldealy@hotmail.com) if you would like to donate flour or baked goods, or if you'd be willing to co-host and help cook and serve - Carol would love some help!

**Saturday, March 26th at 334 Shannon Lee, San Antonio, TX 78216**  
**9 am until noon**  
**Come get a plate!**  
**Donations welcome!**
