

Dear GEAA members,

The Helotes Creek Nature Center, San Antonio River Road Neighborhood Association, and San Geronimo Nature Center are hosting three [Riparian Zone Workshops](#) at the end of September. We are extremely impressed with the workshop's presenters - each from the [National Riparian Service Team](#), which is an interagency effort between the [Bureau of Land Management](#), the [US Forest Service](#), and the [Natural Resources Conservation Service](#).

Here's a general agenda:

**Saturday, September 25th**

**San Geronimo Creek**  
at Rancho Blanco

**Sunday, September 26th**

**Helotes Creek**  
at Rancho Blanco

**Monday, September 27th**

**San Antonio River**  
at Tri-Point YMCA Meeting Rooms

*\*Each workshop begins at 10am, includes lunch and a creek/river tour, and concludes at 4pm.  
Cost is \$20 per session.*

Our staff will definitely be attending these sessions. For all the details, including speaker bios and registration, please see the workshop flyer - you can download the PDF by clicking [here](#). We hope you'll take advantage of this wonderful opportunity to learn from the best!

Sincerely,

Annalisa Peace  
Executive Director
