

Dear GEAA Members and Friends,

Eat Pizza to Save the Aquifer!

[California Pizza Kitchen](#) is sponsoring great food for a great cause. Now giving back is as easy as enjoying a meal with your family and friends.

On **July 13th, 2011** the [Alamo Quarry location](#) of California Pizza Kitchen will donate **20% of all its proceeds** from take-out, catering, dine-in, and alcohol sales to the [Greater Edwards Aquifer Alliance](#)

It has never been this easy to protect your Aquifer! All you have to do is **print out [this flyer](#)** and bring it in with you anytime between **11:00 a.m. and 10:00 p.m. on July 13th**. Show up, and enjoy a great meal to help support GEAA. Just tell your server that you are there for the GEAA fundraiser and give them your copy of the flyer. (Without the flyer, we won't get your donation.)

There is **no limit** on the amount that California Pizza Kitchen will donate to support our cause, so **pass this flyer on to everyone you know**. The more people who take advantage of this opportunity, the more GEAA can do to protect the aquifer in upcoming months.

We really need your support for our programs to sustain and preserve the water, wildlife, scenic beauty, and cultural heritage of the Edwards Aquifer and the Texas Hill Country. The Alamo Quarry location of CPK opened July 12th 2010 and has quickly become a local favorite. We trust you will enjoy the comfortable dining atmosphere of California Pizza Kitchen's full service restaurant.

As always thank you for your continued support, and enjoy your meal!

Annalisa Peace

Executive Director
