Saturday, May 30th, 2:00 pm - 4:00 pm, at AMD Lone Star Campus

There's way more to rainwater harvesting than gutters and cisterns!  
Prepare to be amazed.

Brad Lancaster (rainwater rockstar and author) presents  
***"Integrated Water Strategies for the Home, Landscape,  
Garden, Farm, and Community"***

Brad's dynamic slide presentation is a straightforward how-to on rainwater, greywater, and stormwater harvesting to create water abundance in place of water scarcity. Practical, doable, inexpensive ways to maximize the use of rainwater. Book signing follows his presentation.

Advanced registration  
recommended: <http://www.designbuildlive.org>  
Admission: \$15 advance, \$20 door, \$13.50 for DBL Donor Partners

This special event is produced by Design~Build~Live, a 501(c)3  
Texas nonprofit.
