Dear teachers,

I just wanted to let you know about [Target's 2009-2010 Field Trip Grants](#) program. Target will award 5,000 field trip grants of up to \$800 each for the upcoming school year to teachers nationwide - and you should apply for one!

Grant money can be used to take students to art, science, or cultural museums; conduct community service or civics projects; and/or provide students with career enrichment opportunities, to name a few ideas. The possibilities are endless!

Greater Edwards Aquifer Alliance staff would be happy to assist you in applying for or conducting a field trip related to the Edwards Aquifer. If this is something you'd like to pursue, please contact Elena Serna at Elena@AquiferAlliance.org or 210-320-1457.

The deadline to apply for this grant is November 3, 2009 - don't wait to take advantage of this great opportunity! To learn more or begin your application, visit Target's field trip [grant website](#).

Have a great day!

Elena Serna
Special Projects Coordinator
