

www.aquiferalliance.org

Dear GEAA members,

Fall festivals have always been a Hill Country tradition. We find it really gratifying that so many of our Hill Country communities are going green with their celebrations this year!

We need a few of our members to volunteer to help us staff GEAA tables at the following events:

Saturday, October 10th ~ 9am-4pm

[Leon Springs Family Greenfest](#)

Leon Springs Baptist Church

24133 Boerne Stage Rd

(Annalisa will be tabling, but needs someone to take over staffing the table from 2 to 4 pm.)

Saturday, October 17th ~ 10am - 4:30pm

[Wimberley EcoFest 2009](#)

Katherine Anne Porter School on FM 2325

GEAA staff will be out of town this weekend, but we'd really like to have a presence at this event. We can arrange to get tabling materials to you beforehand!

Saturday, October 24th ~ 9am - 4pm

[Fall Wildlife Festival and Plant Sale](#)

Mitchell Lake Audubon Center

(Elena will be tabling at this event, but she'd love to have help! Please volunteer to take over a shift for an hour or two...)

We need your help to spread the word about the great work that GEAA and its member groups are doing to protect the aquifer. We are looking for volunteers who would be willing to "table" (chat with festival participants about GEAA and its member groups) for a few hours on any of these Saturdays - anything you're able to do

helps! It's a great way to have fun and do some good at the same time.

Contact Elena if you'd be willing to volunteer.

Elena@AquiferAlliance.org

210-320-1457

Even if you can't commit to working as a volunteer, please show your support by joining the fun at these events.

Hope to see you there,
Annalisa Peace
Executive Director
