

Dear GEAA members and friends,

I am sure by now you have all heard that our good friend, Carlos Guerra, passed away. Carlos was a strong supporter of aquifer protection, writing eloquently on many occasions about our issues in general, and specific issues that many of you championed. Check out [our web site](#) next week to read columns he wrote about so many aspects of our common causes.

A memorial service will be held on **Saturday, December 11** from **6:30 pm to 8:30 pm** at [Palo Alto College's Performing Arts Center, 1400 West Villaret Boulevard](#), San Antonio, Texas.

In lieu of flowers, his family has requested that donations be made to the [Carlos Guerra Scholarship Fund](#). You can post your memories of Carlos on his [Express News page](#).

Carlos' was a voice that eloquently promoted protection of our water resources and the Texas Hill Country. We are so glad that we had the opportunity to celebrate his many friendships and achievements on the occasion of his 60th birthday, and we are privileged to have had him on our side. He will be greatly missed.
