

Dear GEAA members and friends,

I am writing to let you know that GEAA is desperately low on funds. In order to keep operating at full strength to address the many bad bills that are making thier way through the legislature, and to continue with the many proactive projects we have in the works, we need your help. Please consider making an emergency donation to GEAA today.

Your tax deductible donation in any amount will keep us solvent during this very busy time of the year. Just click on the link to our website below to donate on-line. Or, you can mail a check to PO Box 15618, San Antonio, Texas, 78212.

Thank you so much to all of you who act on the legislative alerts, and to all of you are actively participating in your local organizations. Working together, we are achieving so much. We need your help today to keep the momentum going.

Again, thank you for your continued support.
