

Dear GEAA members and friends,

Enjoy this beautiful fall weather tomorrow, Saturday, October 9th, by celebrating green living and sustainable development.

Learn how to become an environmentally conscious consumer while enjoying food, music and fun with family and friends.

While you are there, stop by the GEAA table. Annalisa will be at Olmos Park and our newest member of the GEAA team, Lisa Bowers, will be at Leon Springs.

We look forward to seeing you there!
